Daytime Lane Closures Planned to Expedite Opening of New MoPac Express Lane

(Austin, Texas) – To make up for lost time due to rainy weather, workers will be closing the left lane on northbound State Loop 1 (MoPac) between 35th Street and RM 2222 (Northland Drive), from 9:00 a.m. to 3:00 p.m. on Thursday, September 28th and Friday, September 29th.

These daytime lane closures may cause travel delays, so drivers should plan ahead. The closures are needed so final striping and delineators posts for the new Express Lane can be installed, before a September 29th deadline. The goal of the closures is to be able to open the new northbound MoPac Express Lane, between Cesar Chavez Street and RM 2222, by Saturday, September 30th, or as soon as possible thereafter.

The closures will be dependent upon suitable weather conditions.
